

Special Workshop for Teachers

Saturday, March 23, 2019

Math Teaching for Robust Understanding: Taking a Social Justice Stance

Workshop Goals

1. We will discuss high leverage strategies for establishing a relationship with, and having a social-emotional connection to students in order to create a safe space for learning.
2. By learning to teach with a social justice stance, you will learn to create a coherent learning experience for each and every one of your students to become a powerful mathematical thinker.

Kyndall Brown, Ph.D.
California Mathematics Project

The workshop will take place from 9:00 a.m. to 2:30 p.m. A continental breakfast will begin at 8:30 a.m. Lunch will be provided. There is no cost to attend, unless you want to earn Cornell University credit.

Please RSVP by March 15
