

Special Workshop for Teachers

Saturday, March 10, 2018

Ensuring Success for All in Secondary Mathematics

This workshop will help you to think about factors that may impact the mathematical success of each and every student, and actions you can take to address those factors. Strategies to be addressed include dealing with a diverse student population, selecting engaging tasks, effective use of technology, and using formative assessment to guide instructional decisions.

W. Gary Martin &
Marilyn Strutchens,
Auburn University

The workshop will take place from 9:00 a.m. to 2:30 p.m. A continental breakfast will begin at 8:30 a.m. Lunch will be provided.

Please RSVP by March 1 at www.math.cornell.edu/m/Community/5080#form

Questions? Contact Mary Ann Huntley (huntley@math.cornell.edu)

Sponsored by: Cornell University Department of Mathematics and the NYS Master Teacher Program (SUNY-Cortland)
