

Cornell University
Department of Mathematics

Cornell Probability Summer School

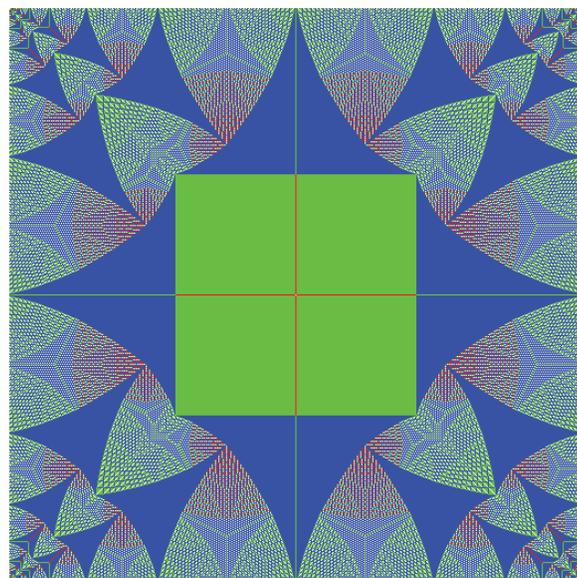

July 15 – 26, 2013

Funding is available to support local expenses of some advanced graduate students and young researchers. Participants who would like support should apply by April 8, 2013. For more information, visit

www.math.cornell.edu/~cpss/

Three main lecturers will each give six 75-minute lectures:

-  **Alexei Borodin, MIT**
Integrable Probability
-  **Ronald Meester, Vrije Universiteit Amsterdam**
Sandpile Models
-  **Elchanan Mossel, University of California at Berkeley**
Probability Models of Information Exchange on Networks

Other speakers will include Ivan Corwin, Vadim Gorin, Antal Jaraı, Jason Miller, Cris Moore, Perla Sousi, and Omer Tamuz.

Participants are encouraged to register at www.math.cornell.edu/~cpss/ by April 8, 2013.

CPSS is partially supported by a grant from the National Science Foundation to the probability group at Cornell University and is cosponsored by the Institute of Mathematical Statistics.
