Errata

1. Definition 3.109: chamber \rightarrow simplex.
2. Solution to Exercise 11.58: Choose $y' \in (x, y]$ and $z' \in (x, z]$ close to x .
3. p. 442, first complete sentence after (7.38), starting with “One gets...”:
The assertion is incorrect; the sentence should be deleted.
4. p. 330, (6.24): $\{s, w\} \rightarrow \{sw, w\}$.
