

IMPOSTOR SYNDROME PANEL

— ★ —

Undergraduate Math Club
CORNELL UNIVERSITY

azilliondollarscomics.com

PANELISTS

Professor Steven Strogatz,
Christine McMeekin,
Vivian Kuperberg

DESCRIPTION

We will be hosting a discussion about impostor syndrome in mathematics, featuring a panel with an undergraduate, graduate, and professor representative. Whether you have personally experienced impostor syndrome, in mathematics or not, or are curious to learn more about it, everyone is welcome to come listen and participate.
