

MATH 224 – SPRING 2008 – FINAL ANNOUNCEMENTS

1. Your final projects are due on **Wednesday 7 May 2008** at **NOON!!** Every 5 minutes after noon that a paper is late loses 5% of the total grade. My comments on your rough drafts will be ready by Wednesday, 2 May 2008 – you can pick them up at recitation or in class on Thursday.
2. In class next on Thursday, I would like each of you to give a quick summary of what you learned during your project. If you need to, you can write a theorem on the board, but the presentations should be mostly informal, so the better you can say it in words, the better! We will also have pizza, fruit, etc.
3. The **final exam** will take place on **Wednesday 14 May 2008** from **2–4:30pm**. You will be allowed to refer to a single 8.5×11 inch sheet of paper with notes (on both sides if you like; no magnifying glasses!). No other notes, books, or calculators.
4. I will have office hours during the next week:
 - a. Tuesday, 6 May 2008: 2:30–3:30pm.
