

Cornell University

K-12 Education and Outreach, Mathematics Department

MATH 5080

Mathematics for Secondary School Teachers

406 Malott Hall

December 5, 2009

9:00 am – 2:30 pm

8:45-9:00 **Welcome** (juice and bagels provided)

9:00-9:15 **Introductions**

9:15-11:45 **Showcasing the Web-Based Archive of Materials
Developed for Middle- and High-School Students**

*Rick Durrett, Anna Bertiger, Kathryn Lindsey, & Michelle Snider
(Cornell University)*

Since 2006, Professor Rick Durrett, together with a team of graduate students, has been developing and implementing supplemental activities for middle- and high-school students, with the goal of introducing students to engaging and accessible mathematical ideas that underlie current advances. During this session you will work through some of the activities and provide feedback on them.

11:45-12:15 **Lunch** (provided)

12:15-2:20 **Showcasing the Web-Based Archive of Materials
Developed for Middle- and High-School Students
(continued)**

2:20-2:30 **Wrap Up**

Contact Mary Ann Huntley by Wednesday, Dec. 2nd if you plan to attend.
