Plan for Completing the Math Minor Requirements

The math minor requirements can be found at math.cornell.edu/minor. List the courses you have completed toward the minor and any you are taking now or considering for the future.

Courses Completed

Current / Future Courses

Research Interests, Other Interests, and Activities

Graduate School / Career Plans

STOP – Page 2 will be completed by the faculty member who admits you to the minor.

Math Minor Prerequisite Verification

Courses must be taken for a **letter grade** to count toward admission to the math minor. **This requirement is waived for all classes taken in spring 2020**, and an "S" grade will be accepted regardless of the usual minimum grade requirements.

Minimum grades are: B– for linear algebra and multivariable calculus classes, with the exception of B+ for MATH 2310 or 2130.

Linear Algebra

MATH 2210 MATH 2230 MATH 2940 MATH 2310 External

Multivariable Calculus

MATH 2220 MATH 2240 MATH 1920 MATH 2130 CASE / External

Admission to the Minor

If any of the prerequisite courses are in progress or not yet completed, or if any minimum grades have not been met, admission to the minor may be possible with conditions.

Admission is conditional. Full admission to the minor after completing the following conditions:

Course Required	Minimum Grade	Term (Deadline)
_____	_____	_____
_____	_____	_____
_____	_____	_____

Other Conditions

Signature Authorizing Admission to the Minor

Date

Review of Conditions for Full Admission to the Minor (if any)

Conditions for acceptance have been met, and the student is now fully admitted to the minor.

Conditions for acceptance have not been met. The student will not be admitted to the minor.
