

MATH 2310 Questionnaire

August 29, 2019

Please complete the following questionnaire.

- Name: _____ Email: _____
- Name you prefer to be called: _____
- Major: _____
- What is your mathematical background? (e.g. What math classes have you taken at Cornell or elsewhere? What math-related courses in other departments have you taken? Have you done a math-related summer program, internship, or job?)

- What are your mathematical interests? If you are unsure of your answer, just say what you would like to know after taking MATH 2310.

- What are your non-mathematical interests? (academic or non-academic)
