

MATHEMATICAL BAKE-OFF!

Food!

- Bring in your favorite math inspired dessert, from pi(e) to shortbread exact sequences.

Prizes!

- For beauty, taste, and mathematical insight.

Fun!

- Don't want to bake? Come try the entries and vote on your favorites!

When? Monday, May 9, 4:30 -5:30

Where? 532 Malott (5th floor lounge)

Details: Open to the entire math community! All entries are welcome, and no advance notice is required! If you want to drop off your baked goods before 11am on Monday, bring them to the Math Support Center. Any time after that, bring them to the 5th floor lounge (room 532). Please also provide a list of ingredients for those who might have allergies.

Questions? Email Vivian Kuperberg at vzk2@cornell.edu
